You don't need to suffer any longer.
Take the first step on your
journey to freedom...
from shame and guilt to intimacy...
from anger and bitterness to peace...
from depression to joy.

This journey is made easier when shared with others who have had similar experiences.

Using the Bible study *Forgiven and Set Free*, small support groups look at the past, gently work through the healing process, and grieve the loss of their children. Groups meet for 10–12 weeks at various locations throughout St. Louis and St. Charles counties.

Operated by ThriVe® St. Louis, our Post-Abortion Program provides a safe and confidential place for women to journey beyond the scars of a past abortion to a secure refuge of hope and healing.

To participate in a group, make your confidential call to our Post-Abortion Coordinator today, 314.783.3040 x238.
